

Multimedia Peer Assessment Rubric

This rubric is designed for students to assess each member of their group. Grading will be based on a scale of 1 (poor) to 5 (exceptional).

How would you grade your experience working with your peers?

How would you grade your peer's willingness to participate in the project?

How would you grade your peer's acceptance of responsibility in the project?

How would you rate your peer's overall contribution to the group effort in terms of cooperation and teamwork?
